RUDANSKY & WINTER

MD, PC

# CONCUSSION & SPORTS RELATED HEAD INJURY CENTER

**Neurology Directors:**  
Max Rudansky, MD  
Jacques Winter, MD

**Medical Director:**  
David Weissberg, MD

## CONCUSSION MANAGEMENT TEAM

Timely and medically sound assessment and management of the athlete from the moment of injury to return to play.

## NEUROLOGICAL CONSULTATIVE SERVICES

Providing effective, evidence based management of post-concussive symptoms (headaches, dizziness, impaired concentration, emotional/affective difficulties) to significantly improve recovery time and minimize the long-term post-traumatic neurological aftereffects.

## EDUCATION

Getting the word out through presentations, discussion groups and symposia to community leaders, schools and organizations about evidence-based guidelines and protocols pertaining to the assessment and management of concussion and sports related head injury.

**Max Rudansky, MD and Jacques Winter, MD have been delivering excellent comprehensive care of patients with neurologic conditions for over 25 years. Board Certified in Neurology and Neuropsychiatry/Behavioral Medicine.**

**DAVID WEISSBERG, MD  
Orthopedic Surgeon, Specializing in Sports Medicine; Team Physician for Huntington, Walt Whitman and Northport High Schools**
